### Tin explorer floats

NORTH Queensland has another listed explorer with the successful float yesterday of Bellevue Resources.

The tin and base metals explorer listed on the Australian Securities Exchange at an opening price of 25c, a 25 per cent premium to its issue price. The company's \$3.5m Initial Public Offer was fully subscribed in three weeks. The company issued 17.5 million shares at 20c each to raise the money to progress exploration at its Running River Tin Project 120km northwest of Townsville in the prospective Kangaroo Hill mineral fields.

The company will trade under the ASX code BVE.
